

KUYSEN ANNUAL KICKSTART PARTY

The annual Kuysen Kickstart Party is tendered by Kuysen as our way of saying “Thank You!” to architects, interior designers and property developers for a great year that was. It also becomes a venue for the company to kick start the New Year with the introduction of new product developments from Kuysen’s major brands.

The event is a highly anticipated gathering attended by the crème de la crème in the local construction industry as well as foreign manufacturers who avidly welcome the opportunity to reacquaint themselves with the greats in the Philippine construction market.
