**Product info:**

- Touch-free electronic faucet for deck-mounted installations
- Activated by an infrared sensor
- For cold or premixed water
- Filters included
- Powered by a 9V transformer and an integrated backup system with a 9V Lithium battery for normal use in case of power failure
- Chrome plated body, other finishes available
- Includes a low battery indicator
- Latching solenoid valve is located above deck inside the product for added vandal protection
- Adjustable setting by remote control: sensor range, security time, delay in, delay out, on-off and reset to factory settings
- 24 hour mandatory hygiene available upon request.

Flushing of pipe must be done before fittings are installed. Failure to do so voids the warranty.

Follow cleaning instructions and avoid using any harmful chemicals.

All information is for reference only. Installation shall always be based on the specs provided with actual delivered items.
