All drawings contain the necessary measurements which are subject to standard tolerances. They are stated in mm and are non-binding. Exact measurements, in particular for customised installation scenarios, can only be taken from the finished ceramic piece.

REMINDER:	Pipe flushing must be done before faucets are installed. Failure to do so voids the warranty.
	Do not use cleaners containing abrasive cleansers, ammonia, bleach, acids, waxes, alcohol, solvents or other products not recommended for chrome.
	All information is for reference only, installation shall always be based on the actual product delivered.
