- with automatic resetting non-return valve
- with silencer
- integrated shower support
- suitable for continuous flow water heaters
- connection dimension: DN15

Flowchart

The consumption was measured in combination with the appropriate fittings (thermostat/mixer/in-wall valve) to reflect actual application in practice.

Flushing of pipe must be done before fittings are installed. Failure to do so voids the warranty.

Follow cleaning instructions and avoid using any harmful chemicals.

All information is for reference only. Installation shall always be based on the specs provided with actual delivered items.
