Product info:

- An unprecedented Egg Shape design made of sustainable steel enamel by means of the highest German engineering skills
- A graceful design sculpture that integrates harmoniously into the bathroom space, flowing and almost seeming to float
- Inspired by y Japanese porcelain design: the double-walled product impresses with its minimal organic lines and elegant functionality
- Inner shape offers maximum lying comfort, even for two people, with two identical backrests and a central waste
- Available in numerous colors of the coordinated colours collection
- Installation information: the free space under bathtub enables installation w/out a screed recess for lowering
- With push to open waste
- Without overflow

Follow cleaning instructions and avoid using any harmful chemicals. Failure to do so voids the warranty.

All information is for reference only. Installation shall always be based on the specs provided with actual delivered items.
